

Ely

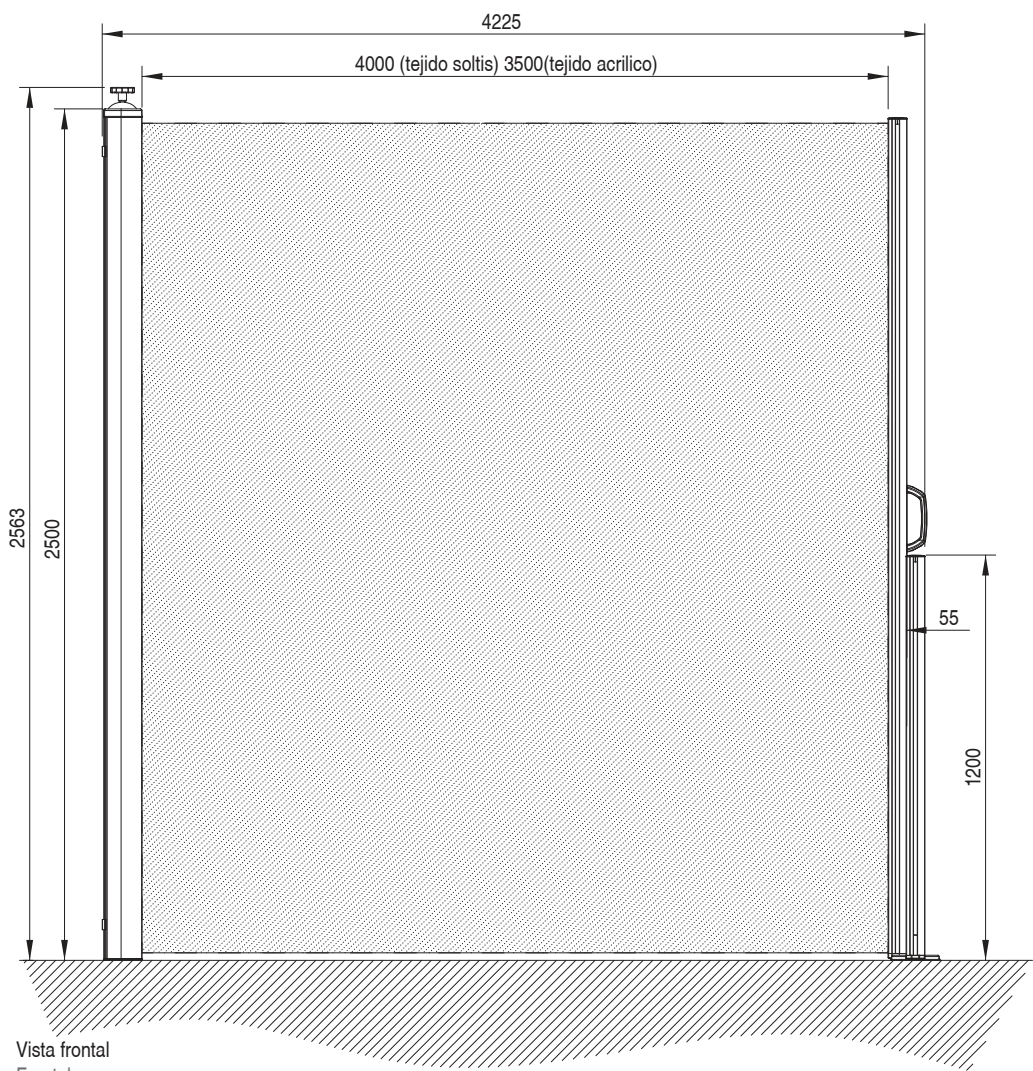

ES

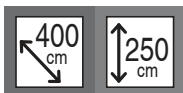

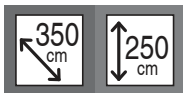

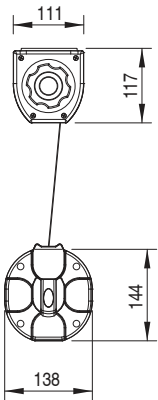

ELY es un nuevo toldo vertical para el exterior. La regulabilidad y la atención depositada en la fase proyectiva en las soluciones estilísticas y, sobre todo, la facilidad de montaje e instalación hacen de Ely un producto capaz de satisfacer las más exigentes soluciones de protección solar y decoración para todo tipo de fachadas o jardín.

EN

ELY is a new vertical awning. Thanks to its linear structure, assembling and installation ease and innovative design, it is able to satisfy the most demanding solar protection and exterior design needs.
